GORHAM PUBLIC INFORMATIONAL MEETING
REHABILITATION OF 3.8 MILES OF NH ROUTE 16

The New Hampshire Department of Transportation announces a combined Public Officials/Informational Meeting will be held Thursday, February 23, 2006 to discuss the planned rehabilitation of 3.8 miles of NH Route 16 in Gorham.

This project begins on NH Route 16 at the intersection of US Route 2 and proceeds north 3.8 miles to the Berlin city line. The work involves rehabilitating the riding surface, repairing and replacing drainage structures, and upgrading guardrail. This project will not change the overall pavement width or lane configuration.

This meeting is being held to discuss the project and gather input from town officials and the public

The February 23 meeting will take place at the Main Fire Station Ambulance Room, 347 Main Street in Gorham, New Hampshire. An informal presentation will begin at 7:00 PM, followed by a question and comment period.
